

Danger ahead!  
The engineer  
doesn't see the  
broken rail.  
There is sure  
to be a terri-  
ble wreck.  
There's a  
wreck  
ahead for  
you if you pay no attention to your  
weak throat and lungs.

## Ayer's Cherry Pectoral

Weak throats and weak lungs easily  
give way. Some extra strain, as a  
fresh cold, and you are down with  
bronchitis or pneumonia. Better  
strengthen these weak places before it  
is too late. Ayer's Cherry Pectoral  
keels these irritable throats, gives tone  
to the relaxed membranes, and imparts  
strength to the lungs.  
There are many substitutes and imi-  
tations. Beware of them! Be sure  
you get Ayer's Cherry Pectoral.  
Two sizes. Large and small bottles.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.  
HOLLISTER DRUG CO., Agents.

## PRETTY WEDDING CEREMONY AT WAIKIKI.

MR. AND MRS. THOMAS E. WALL.

A few intimate friends gathered last  
evening at Hale Kulani, the Waikiki  
home of Mr. and Mrs. Arthur F. Wall,  
to witness the marriage of Miss May  
Rose Davis and Major Thomas E.  
Wall who were united by the Rev.  
Canon Alexander Mackintosh.

The ceremony was a pretty one, the  
parlors of the old Lewers home being  
embowered with garlands for the oc-  
casion. The ceremony took place be-  
fore an embankment of foliage and  
flowers, Canon Mackintosh, robed in  
the vestments of the Episcopal church,  
officiating. The bride, a beautiful  
California girl, looked charming in her  
wedding gown of ring net over peau  
d'espoir, veiled with chiffon and hav-  
ing for garniture Duchesse lace and  
pearls. She was given away by Mr.  
Robert Lewers. During the ceremony,  
after a piano prelude from "Lohen-  
grin," Mr. Arthur Wall, screened from  
sight, played Jocelyn's "Berceuse"  
with pianissimo effect.

After the wedding an adjournment  
was made to the seaward reception  
room where the bride's cake, placed on  
a table covered with a damask cloth  
garnished with sprays of maidenhair,  
was divided by its fair owner and  
general congratulations were followed  
by an informal reception under the fa-  
mous hau covered lanai overlooking  
the moonlit sea. Japanese lanterns  
illuminated the lanai and lawns, the  
rain courteously holding off in defer-  
ence to the occasion.

### IT IS DIFFERENT NOW.

Once upon a time students of  
medicine held the notion that  
there were as many different  
diseases as the body has organs  
and parts; every one of these  
ailments requiring a different  
treatment. So stupid a mistake  
could lead only to miserable fail-  
ures. For the fact is, the body  
is a single machine; and what  
concerns one part of it concerns,  
more or less closely, all the  
rest. Thus we see how it hap-  
pens that one remedy, or mode  
of treatment, may relieve and  
cure a variety of complaints,—or  
what may appear like a variety,  
but are really various forms or  
outcroppings of the same cause.  
Take, for example, Anemia, Scro-  
fula, Poverty of Blood, General  
Debility, Influenza, Throat and  
Lung Diseases, etc.—a formidable  
array indeed they look to be; yet  
WAMPOLE'S PREPARATION  
quickly abates the worst of such  
cases, and absolutely cures many  
hopeless. The reasons are: its  
power over the digestive and as-  
similating process, its action in  
expelling impurities from the  
blood, and its consequent ability  
to vitalize and rebuild the  
whole structure. It is palatable  
as honey and contains the nutri-  
tive and curative properties of  
Pure Cod Liver Oil, combined  
with the Compound Syrup of  
Hypophosphites and the Extracts  
of Malt and Wild Cherry. It was  
not dreamed out, or discovered  
by accident; it was studied out,  
on the solid principles of applied  
medical science. It is precisely  
what it is said to be, and has  
won the confidence of the public  
on that basis. Dr. Thos. Hunt  
Stucky says: "The continued  
use of it in my practice, convinces  
me that it is the most palat-  
able, least nauseating, and best  
preparation now on the market."  
Every dose effective. "You can-  
not be disappointed in it." Sold  
by all chemists the world over.

Later the newly wed couple with  
some of their intimate friends, board-  
ed a special train for Wailua where  
the honeymoon will be spent.

The bride is the daughter of Mr.  
and Mrs. F. C. Davis of Modesto,  
Cal., and the groom, a prominent busi-  
ness man of this city, a partner in  
the firm of Wall, Nichols & Co., of  
which he is the treasurer. He holds  
the rank of major in the National  
Guard with which organization he has  
been for some time connected.

After the honeymoon Mr. and Mrs.  
Wall will reside at the Wall home on  
the corner of Hotel and Richards  
streets.

mittance 25 cents; children free. The

liams, Mrs. Clarence Crabbe, Mrs. Dr.

bell.

E. Kuwailaninimamao Cartwright.

Whitney, Mrs. Wm. Whitney, Mrs.  
Crane, and Miss Lyons.  
Lemonade—Miss Minnie Downing,  
Miss Edith Lyle.  
Ice Cream—Mrs. Bagwell, Mrs. Stone,  
Mrs. High, Mrs. McChesney and Miss  
Blais.

Lunch—Mrs. A. Coyne, Mrs. M. G.  
Johnson, Mrs. A. Lyle, Mrs. Bryant,  
Mrs. Kerns, Mrs. Inghram.  
Rummage Booth—Mrs. Pearson, Mrs.  
Wm. B. Thomas.

The ladies having charge of the  
Japanese Booths are Mesdames Koba-  
yashi, Kawasaki, Komitsu, Ono, Iso-  
shima, Fukuroda, Kumada, Nakashi-  
ma, Susuki, Sokomoto, Higaki, Ieshima,  
Hida, Daimara, Katsumura, Tasaka,  
and Kishimoto.

The proceeds will be used to build  
a new school and church building for  
the Japanese. A liberal patronage is  
earnestly solicited.

## LEAGUE BASEBALL ON SATURDAY

The first of the long-talked of series  
of post season baseball games is posi-  
tively announced for next Saturday af-  
ternoon on the King street grounds be-  
tween teams picked from the League.  
The two nines will be practically com-  
posed of combinations of Punahou and  
Elks and H. A. C.'s and Kamehamehas,  
playing under the management of  
Brooks and Wise. The latter's team  
will boast two pitchers, Lemon and  
Reuter, with Kaal for the Elks-Puna-  
hou.

There will be a series of two matches  
out of three, the losers to put up for  
a fine luau for the winners. The re-  
ceipts will go towards recompensing the  
boys for out of pocket expenses not re-  
imbursed by the profits of the regular  
season.

The following is the probable make-  
up of the teams:

Brooks—Gorman, c.; Kaal, p.; Cunha,  
1b.; Moore, 2b.; Steere, 3b.; Lishman,

ss.; Kennedy, lf.; Forbes, cf.; Kiley, rf.  
Wise—Kekuewa, c.; Reuter or Lemon,  
p.; Gleason or Leslie, 1b.; Vannatta,  
2b.; En Sue, 3b.; Williams, ss.; Plun-  
kett, lf.; Aylett, cf.; Jones, rf.

As is readily seen the Brooks com-  
bination looms up very strongly in  
fielding and has a good looking bunch  
of hitters. There seems no reason for  
the impartial observer to choose fa-  
vorites as with Kaal in anything like  
form the games should be too close for  
prophecy as to results.

## FIFTY CENTS A MONTH

A small bottle of Scott's  
Emulsion costing fifty cents  
will last a baby a month—a  
few drops in its bottle each  
time it is fed. That's a small  
outlay for so large a return of  
health and comfort.

Babies that are given  
Scott's Emulsion quickly re-  
spond to its helpful action.  
It seems to contain just the  
elements of nourishment a  
baby needs most.

Ordinary food frequently  
lacks this nourishment; Scott's  
Emulsion always supplies it.  
Imitations always cost less  
than the original, hence the  
substitutes for Scott's Emul-  
sion can be sold for a few  
cents less. But you're not  
saving anything when you  
buy them. Cod liver oil has  
a market value and you get  
the pure oil in Scott's Emul-  
sion. That's the difference.

We'll send you a sample free upon request.  
SCOTT & BOWNE, 409 Pearl Street, New York.

## PHYSICAL CULTURE AS A SCIENCE.

Hundreds of men and women, right  
here in Honolulu, are mere physical  
wrecks. I see them every day, too tired  
to move about or too nervous to  
keep quiet. Lungs too weak to take a  
deep breath, or heart too weak to walk  
up a flight of stairs. If you are one  
of these, you need exercise. Health  
that intoxicates with its power and in-  
tensity, is within the reach of all who  
are willing to reason for themselves,  
and begin that activity of muscle, mind  
and body without which there can be  
no health, for stagnation always means  
disease and death. Activity is the law  
of life. The cry "I haven't time," "Too  
busy," etc., shows that you are not a  
good business man or woman, in one  
respect, at least. You relentlessly  
drive the machinery, not noticing that  
the energy required is increasing daily,  
and that your success demands greater  
effort than formerly, until suddenly,  
although your financial credit is a No. 1,  
your physical bank has collapsed and  
your bodily credit is ruined. Don't de-  
lay, start in today. All those taking  
my exercises at the Woods Institute are  
getting stronger every day.
